Hi Gary,

Following up on this email. I know you already responded but I must tell you again.

Because of legal reasons I need you to cease all development and other work related to the Wavy Baby sneakers. Put everything on hold. Do not develop, produce, or distribute any thing related to Wavy Baby.

I have cc'd MSCHF's lawyer for his records.

Hi James,

Well noted. I will immediately inform factory to stop all work with Wavy Baby, and take back all related samples that developed so far.

Thanks,

David
